Name of abutting landowner(s) (person who owns property in front of where this work is to be done): (If other than applicant, WRITTEN PERMISSION must be submitted.)

Name _____ Address _____

I understand that Federal Energy Regulatory Commission (FERC) approval may be required **BEFORE** I may begin this project. I understand and agree that I am responsible for securing a USACE Permit (if applicable) and any other local, state, or federal permits, if any, that may be required.

I understand and agree that all excavation shall be left with gradually sloped sides so as not to change the present contour line by creating any permanent channels above said contour line. Excavated materials shall be placed on applicant's property above the applicable flowage easement. If the application is for a boat ramp, the undersigned hereby acknowledges and confirms that the boat ramp may be accessed by at least twenty-five (25) homeowners in a residential community or be open to the public. Approval from the US Army Corps of Engineers, FERC and/or state and federal agencies may also be required.

I am enclosing the sum of \$500.00 as the required fee for this application and I understand that said sum shall be retained by GRDA to defray all costs regardless of the disposition of the final inspection. I also understand that the receipt and/or deposit of your cash, check, or money order by GRDA does not constitute the granting or issuance of a permit. If the application is for rip rap, the fee is \$200.00. I agree to update GRDA with all address changes and acknowledge that GRDA will serve all notices and invoices related to the permit to the last address on file and/or the email address given above, if any.

If the tram system is on GRDA property, for the duration of the permit, Applicant agrees to maintain a general liability insurance policy written on an occurrence basis with a minimum limit of liability of \$1,000,000 per occurrence to provide coverage for bodily injury, personal injury, death, and property damage, for which Applicant may be held liable. GRDA shall be an additional insured on the policy. Applicant agrees to provide GRDA with a certificate of insurance each year the policy is in effect. Applicant agrees to notify GRDA in writing within 10 days if the insurance coverage is cancelled.

Applicant agrees to not conduct any permitted activity until written notification is issued by GRDA authorizing the permitted activity to proceed.

The undersigned hereby certifies that he: (i) has read the Regulations, (ii) agrees to be bound by the terms expressed above, and (iii) all information contained herein is true and accurate. 21 O.S. Section 463.

Signature of Applicant _____

Date _____

Prepared by: _____

Permit Approval for Construction of a Retaining Wall, Boat Ramp, Tram System or Rip Rap
