

Question & Answer - RFQ 2631 GRDA Public Park Access Areas

1. Are there Forest Specifications we will be going by?
 - a. GRDA would clean up any debris from major storms (meaning trees down), tree limbs are considered part of the scope of work.

2. Clean up on the shoreline?
 - a. Recommend just weed eating what we can as needed, because saplings roots over 1 inch can help with shoreline stability. One of the bidders mentioned using a brush blade to cut the saplings which would be fine by not disturbing roots in the soil for stability, but not to cut anything over 3 inch in diameter without getting Eco Edu Shoreline Approval Committee involved for approval to cut below the GRDA take line.

3. Insurance and Workers Compensation
 - a. Section 4 of the Agreement for Services
Standard Liability Insurance Amounts:
