RFQ 4081 Questions & Answers

(Answers in red)

1) When GRDA consider an alternative pole configuration in place of Southern States?
   For this request, all items are sole brand with Southern States for the associated part number SSGE15GHRP95SBAAXBXX. We unfortunately will not accept any alternatives for this project.

2) Do the reclosures need to be sent to GRDA as site ready (mounted)?
   Yes, please ship as site ready.
