Description of Amendment or Clarification:

a. This is to incorporate the following (this box expands based on size of text):

A question was received regarding the required 72" interior and 4 bins. A picture of the truck has been provided along with the following comments from the project manager:

"The picture below shows what the 4 bins look like and the taller height of the bed. We do not have a picture of the interior of the box. If the bidder can make sure the interior height is at least 72", then that will be acceptable to bid. It just cannot be lower than that."

b. All other terms and conditions remain unchanged.
